

It is expected that on the first day of school all students arrive with the following:

- Sufficient supply of pens and pencils
- Highlighting markers (more than one color)
- Notebook/paper
- A graphing calculator for any student taking Algebra 1 or a higher-level math class. The model used for instruction is a Texas Instruments 83 or 84, and is the suggested model for studentsquse.
- A scientific calculator for students in all other math levels.
- Backpack, without wheels.
- USB flash/thumb drive
- A box of tissues . donation. Please give to homeroom teacher.

Teachers will have supply requirements for their individual classes. These are not expected to be with the student on the first day, but should be purchased within the first week.
